CA-12-08-17/0142 – Update 1

Subject: Update 1: Update to the 26 September 2011 SDDC Military Freight Traffic Unified Rules Publication-1 (MFTURP-1).

Purpose: To notify Transportation Service Providers (TSP), DoD shippers, and contractors the updated MFTURP-1 will be released 13 August 2012 with an effective date of 20 August 2012.

Be Advised: The updated MFTURP-1 can be found at <http://www.sddc.army.mil/GCD/default.aspx>. SDDC's responses to the comments received on the Docketing System to this proposed update can be found at <http://docketing.sddc.army.mil/> under docket Misc., #1014.

Guidance: Below is the summary of changes:

1. Item 47, Furnishing of Vehicles and Equipment, updated to clearly define TSP requirements when substituting for convenience vehicle equipment requested by the shipper.
2. Item 91, Terminal Security Standards for Secure Holding of Arms, Ammunition, and Explosives (AA&E), updated to more specifically define the security standards for AA&E secure hold locations.
3. Item 93, Terminal Security Standards for Secure Holding of Non-AA&E Shipments, updated to more specifically define the security standards for non-AA&E secure hold locations.
4. Section B.IV, Transportation Protective Services, updated to define TPS requirements for intermodal shipments (Section B.IV.1) and to provide guidance on submitting one-time-only waivers (Section B.IV.2).
5. Item 105, Protective Security Service (PSS), updated to state PSS shipments must move point to point.

6. Item 109, Security Escort Vehicle Service (SEV), updated to more clearly define SEV requirements.
7. Several points of contact, such as telephone numbers, email addresses, and websites updated for accuracy.
